Defendants' responses to RFP Nos. 35–36 state that Curtiss-Wright did not receive any federal assistance or engage in transactions with the U.S. Navy or DoD during Plaintiff's employment and that no responsive documents exist.

Plaintiff has obtained third-party government records through FOIA that appear to reflect federal assistance to Curtiss-Wright during the relevant period.

Please advise whether Defendants wish to supplement or correct their responses pursuant to Rule 26(e).
