Counsel,

I am reviewing Defendant's discovery production and am unable to locate the documents relating to Title VI federal funding referenced in the pleadings.

Please identify:

1. All documents reflecting Curtiss-Wright's receipt of Title VI federal funding, including grants, contracts, subcontracts, certifications, or compliance records; and
2. The corresponding Bates numbers / document control numbers for each such document if they have already been produced.

If these documents have not yet been produced, please confirm whether Defendant intends to produce them and when.

Thank you for your attention to this request.

Regards,

Debra Nelson

Ms. Nelson:

Consistent with the Court's recent order (ECF No. 251 at pg. 18), we are collecting responsive documents from Curtiss Wright and will respond by the January 30 deadline set by the Court.

Also, have you confirmed February 18 as the mediation date with Ms. Lewis? We need to secure that date before someone else does. Thanks.

I will need to make sure she has not been compromised. I will let you know what I decide later.
